

SPARKLING AFTERNOONS

J

J

Mon petit chou,

Finally – it is about time that we meet. I have been thoroughly looking forward to seeing you...I know it seems like forever and you may have even forgotten what I look like.

I have been out all afternoon, dipping into boulangeries and hand-picking only the tastiest treats that Paris has to offer. My dears, I can't wait for you to try my favourite guilty pleasures. Only in Paris can you find such glamour, flavour and delight.

It is with deep regret that I inform you of my lateness; you know it's so unlike me! I trust that you will be in excellent hands and well taken care of until I arrive.

For now, please enjoy your experience and I will be there to accompany you as soon as I can...

All my love,
Josette
