J

Mon chéri,

How can a lady operate with such a busy schedule, I just don't know. We did promise to meet today and I am so grateful you could join me. Yes, we won't have long together so all the more reason to enjoy! The weekdays can be so hectic but at least we have my favourite lunch spot to reignite the glamour in our lives.

Now shall we start with a toast, or shall we look at what delights are being served today? Darling, I just know you're going to love this!

All my love,
Josette
